School Reopen Guidance

General guidance

APLS students and their parents/guardians, or guests on-site cannot enter APLS facility if they:

• are showing symptoms of COVID-19.
• have been in close contact* with someone who has confirmed or suspected COVID-19 in the last 14 days.

Those at high risk* for health problems from COVID-19 should consult with their health care provider when considering whether to pick-up and drop-off students at APLS.

Drop-Off and Pick-Up

• Parents drop off and pick up children outside the door to reduce the need for families to enter the facility. Parents to keep families physically distant at least a 6-foot from each other and keep children at their vehicle when waiting for dropping-off and picking up kids.
• Children ages 5 and up should wear a clean mask daily when coming to the school.
• Chick Children’s body temperature and wash hands before coming to the school. Give teachers the temperature information when drop off kids. If you do not have time to check kids body temperature, please tell teachers so that the school will do the daily body temperature check-up when kids arrive the school.
• Families have the same adult drop off and pick up the child each day and avoid carpooling when possible.

Health Screening at Entry

Children, or youth sick with any illness must stay home.

Please keep your children at home if he/she has any of the following symptoms:

• A cough (dry cough)
• Shortness of breath or difficulty breathing
• A fever of 100.4°F or higher or a sense of having a fever
• A sore throat
• Chills
• New loss of taste or smell
• Nausea/vomiting/diarrhea
• Congestion/running nose – not related to seasonal allergies
• Unusual fatigue
